*Disclaimer - With our wedding packages, we do include 2 photographers for your special day. In the event of illness, an emergency, or any other reason, out of our control, you may only have one photographer. Please note that we have been doing this for 18 years and 550 weddings and to be honest about 25% really need 2 photographers. This does not mean you are only getting one photographer. This is just to inform you that in such a case listed above you are aware of it. Thanks
